

Replication defective HIV vaccine

INVENTOR(AUTHOR): Tung, Frank Yao Tsung

LOCATION: USA

ASSIGNEE: Genecure Llc

PATENT: PCT International ; WO 9958726 A1 DATE: 19991118

APPLICATION: WO 99US10523 (19990512) *US 85115 (19980512)

PAGES: 40 pp. CODEN: PIXXD2 LANGUAGE: English CLASS: C12Q-001/70A;
C12N-007/04B; A61K-039/21B; C07H-021/04B DESIGNATED COUNTRIES: CA; JP; US
DESIGNATED REGIONAL: AT; BE; CH; CY; DE; DK; ES; FI; FR; GB; GR; IE; IT;
LU; MC; NL; PT; SE

SECTION:

CA263003 Pharmaceuticals

CA203XXX Biochemical Genetics

IDENTIFIERS: replication defective HIV vaccine

DESCRIPTORS:

Vaccines...

AIDS; replication defective HIV vaccine

Polymers,biological studies...

block; replication defective HIV vaccine

Polymers,biological studies... Transformation,genetic...

co-; replication defective HIV vaccine

Polymers,biological studies...

Crosslinked; replication defective HIV vaccine

Drug delivery systems...

injections; replication defective HIV vaccine

Drug delivery systems...

liqs., oral; replication defective HIV vaccine

Drug delivery systems...

oral, Oral capsule; replication defective HIV vaccine

Plasmids...

pHXB2; replication defective HIV vaccine

Gene,microbial...

pol; replication defective HIV vaccine

Animal cell... Buffers... Cell... Concentration(process)... Disaccharides

... DNA... Drugs... Feline leukemia virus... Genome... Human

immunodeficiency virus... Immunity... Monkey... Monosaccharides...

Oligosaccharides,biological studies... Polymers,biological studies...

Polysaccharides,biological studies... Retroviridae... Vesicular stomatitis
virus... Viscosity...

replication defective HIV vaccine

Proteins,specific or class...

retroviral; replication defective HIV vaccine

Glycoproteins,specific or class...

spike; replication defective HIV vaccine

Drug delivery systems...

suppositories; replication defective HIV vaccine

Apparatus...

Transdermal or transmucosal; replication defective HIV vaccine

AIDS(disease)...

Transdermalreplication defective HIV vaccine

Immunization...

vaccination; replication defective HIV vaccine

Anti-AIDS agents...

vaccines; replication defective HIV vaccine

CAS REGISTRY NUMBERS:

9068-38-6 pol; replication defective HIV vaccine
